Good morning.

This is the follow up information from this morning's phone call. Please let Jason or I know if there is anything else you need.

The Cherokee citizen on the Wilcox Oil Company Superfund site is Stephen Lane.

Jeremy Fincher is the Environmental Director of the Sac and Fox Nation. He can be reached at Jeremy.Fincher@sacandfoxnation-nsn.gov or 918-968-3526 ext. 2092.

Del Beaver is the Environmental Director of the Muscogee (Creek) Nation. He can be reached at delb@mcn-nsn.gov or 918-549-2581.

Todd Downham at Oklahoma Department of Environmental Quality (ODEQ) knows all the people near the site because he has worked with them for a number of years. He can be reached at Todd.Downham@deq.ok.gov or 405-702-5136.

This is the name and website for the TV newscast I saw the evening of December 8, 2014.

Diane's note: *Winter is a good time to plant trees, shrubs, and native perennials. Bare root trees can be planted any time during winter until they leaf out. Oklahoma Arbor Week, the last full week in March, marks the end of tree and shrub planting season in Oklahoma.*
